PORT Phillip Council is inviting everyone to enjoy the fun at St Kilda's West Beach on Sunday, including **beach tennis**, beach volleyball, kite surfing demonstrations, sailing and fitness classes.

The events, which will run between 10.30am and 4.30pm, will also include cultural demonstrations and activities to cel-

ebate Port Phillip's adopted-nation relationship with Papua New Guinea.

Try these other activities for size: sailing with the Royal Melbourne and Port Melbourne yacht squadrons, Circus Oz workshops, St Kilda PCYC cardio combat demonstration, music by Collard Greens & Gravy, and primary schools strutting their stuff on stage.

Radio 3AW will conduct an outdoor broadcast all afternoon

and there will be guests popping in, of both the athletic and political persuasion.

Four lawn bowls clubs - St Kilda Sports Club, Albert Park VRI, Middle Park and Port Melbourne - are opening their doors for a day of free bowls and Port Melbourne Trugo Club is holding an open day.

West Beach is in Beaconsfield Pde, St Kilda, west of Cowderoy St. Details: 9209 6777 or www.goforyourlife.vic.gov.au.
